

OSHE Spring Conference

May 14 - 16, 2014
"Managing Compliance in a Lean Environment"

Great Education, Networking & Tradeshow!
Join us at the The Riverhouse Hotel & Conference Center

Conference Presentations

View our 2014 Spring Conference Attendee List in our [Members Only section](http://oshe.us/membersonly.htm) <http://oshe.us/membersonly.htm>

Presentation: "Lean, 3P Design in Healthcare and the Lean Leader" [26 pages]

Presented by Stephen Grose, Director of Facilities and Production at Emerald Environmental Services and Cedar Grove Composting; ASHE Region 10 Director, 2010-2011

The presentation explores awareness of the principles of Kaizen/LEAN activities, values and challenges with implementation efforts at VMCC.

Presentation: "Fire Safety System Testing Requirements & Documentation per NFPA: EC.02.03.05" [27 pages]

Presented by Bill Morgan, CHFM, FASHE, Senior Consultant, Siemens

The presentation reviews initial and on-going required testing of Fire Safety Systems including performance test process, frequency and parameters as well as documentation requirements for FS testing and scheduled maintenance.

Time: 10 AM shotgun start through 4 PM

Questions: OSHE@aminc.org Tele: 1-877-460-5880 Fax: 253-265-3043

"It is an exciting time for healthcare engineering as the field continues to grow and adapt. By providing a rich education and networking experience, the OSHE Spring Conference offers attendees vital information on health care compliance, codes and standards updates, and emerging trends.

This meeting is a must-attend event for all individuals working in Facilities maintenance and construction."
- Greg Parks, President-Elect
